FRIENDS OF THE GESUALDO SIX

Become a part of our circle and help us
to inspire others through music

The Gesualdo Six Friends’ Scheme provides you with a great way to support our exciting and innovative ensemble and to join a community of like-minded people, united by a passion for the music performance and education work that we are starting to take around the world.

We would love to share more of an insight in to our work. Through joining the Friends, you will be able to get closer to The Gesualdo Six.

Your support will help to secure the continued growth of the ensemble and its ability to inspire others through music performance and education.

Our mission is to share our love of the music of the British Choral Tradition with audiences around the globe, inspiring audiences and singers alike. The ensemble's composition allows us an almost unique capability to explore a huge range of music in a rare and authentic style. Our concerts provide a cultural focal point for local communities, connecting people with a spiritual and musical heritage dating back hundreds of years.

The ensemble recognises the importance of teaching, and regularly incorporates education work into its activities, holding workshops for choirs and composers and giving concerts alongside local performers.
